

ASEP HERMAWAN

FULL STACK DEVELOPER

0899-3131-808 / asephermawan1199@gmail.com / ashern11.github.io

PROFILE

I am Asep Hermawan, Full Stack Developer from Bandung, Indonesia. I have experience in web site development with some language like PHP or Javascript. I like coding from junior high school. Ngoding (Coding) is my hobby and activity, because I am very interested when there is something new in technology especially on programming.
